

Attend a Free Blue Bag Checkup

If you can answer yes to more than one of these questions, then have your pharmacist or health care professional complete a Blue Bag checkup:

Do you take 3+ medications?

Do you have questions about your medications?

Do you see more than one doctor?

Do you worry about drug interactions?

Follow these steps before your appointment:

1. Gather ALL of your medications & supplements

2. Place them in your bag

Meet with a clinician for a free consultation
